Title for e-comm: Nylabone Power Chew Barbell **Medium Dog Chew Toy**, Flavor Medley

Long Description:

Satisfy your dog's natural instinct to chew with the Nylabone Power Chew Barbell **dog chew**. This **occupying chew** is perfect for fighting boredom, easing separation anxiety, and avoiding destructive chewing. Made of durable nylon, this **dog chew toy for aggressive chewers** can challenge even the most powerful pups and provide long-lasting engagement and entertainment. It features savory flavor throughout for a delicious reward your dog will love. Plus, the raised nubs on this **tough dog toy** help support dental health by reducing plaque and tartar, freshening breath, and massaging gums as dogs chew. With robust chewing ends, this medium chew toy is long-lasting and suitable for dogs up to 35 pounds.

Bullets:

- For dogs up to 35 lbs.
- **Long lasting dog chew** features robust ends for powerful chewers
- **Textured dog chew** features nubs that help clean teeth
- **Chew toy** features savory flavor medley throughout
- Made in USA
